

## SPORTS FESTIVALS

Throughout the year, Year 2 classes each take part in a number of festivals with St. Peters. Turquoise Class is the latest class to take part, focusing on the game of dodgeball.

## PUPIL PROGRESS CONSULTATIONS

It was good to see so many of you at our recent consultations. With us working together we hope that we can give your children the best learning experiences.

## SCHOOL TOURS

Over Term 2 we had many prospective parents touring the main school for a place for their child at Callis Grange in September 2019.

We were blown away with the positive comments about the school environment and provision but most importantly the behaviour and well-being of the children. We were extremely proud of our children—well done to them.

## HEALTHY BODY, HEALTHY MIND

The children were all relaxed learning their infant yoga and playing their African djembe drums. They focused on their friendships and what it means to be a good friend as well as feelings. Have a look at the articles on the website Whole School Learning News tab.

## PODIUM CELEBRATION

This term all the main school children have worked to improve their skill of “The Bouncer” in Infant Agility Athletics (I hope your child can explain this to you!). A competition took place last week and a boy and a girl in each year group were awarded with a Gold, Silver or Bronze medal for the most bounces in twenty seconds. They stood proudly on our Podium to receive their medals with cheers from the rest of the school. Well done to everyone for trying their best.

## STAFFING

Miss Russell surprised us all when we returned from the Christmas holiday with the news of her marriage—she is now Mrs. Wilson! Congratulations to Mr. and Mrs. Wilson.

I would like to take this opportunity to welcome Miss Jordan to Callis who is our Early Years Foundation Stage Senior Leader (Nursery and Reception) and teacher of Green Class.

We would also like to welcome Miss Sheffield who is in her final year of teacher training and is based in Brown Class. We hope her time with us proves successful.

## SCHOOL VALUES

At the end of last academic year we spent time talking to all the children about what it meant to be a good learner. From this our five School Values were created with the children having described what each value meant for them.

Yours sincerely,

*Mrs A J Marshall*
